**Re: Application for Water License, Laughland Lake Project, Nunavut.**

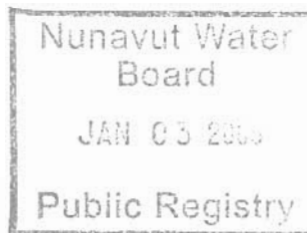

Please find enclosed Kennecott Canada's application for a water license for the Laughland Lake Project. We are applying for water use to support an exploration camp and diamond drilling on the project.

Attachments include the application form, a cheque for \$60 to cover the application fee and water use fee, the supplementary questionnaire, a non-technical summary in English, a map of the project area and proposed camp location, copies of the DIAND and IOL land use permits, a spill contingency plan and a reclamation plan. We will forward an Inuktituk translation of the project summary under separate cover.

Please contact me if you require further information or have any questions regarding our water license application.

Yours truly,

Susan Ball  
Project Geologist,  
Land, Community and Business.
