Subject: Licence No. 2BE-LEP1217 – Submission of 2013 – 2016 Annual Reports for the Lupin Exploration Project

Dear Ms. Lewis:

The Nunavut Water Board (NWB or Board) has completed its review of the 2013, 2014, 2015, and 2016 Annual Reports (Reports) submitted by Lupin Mines Incorporated for the Lupin Exploration Project, a basic exploration project located approximately 285 kilometres southeast of Kugluktuk in the Kitikmeot Region, Nunavut.

The review determined that the Reports are generally complete and consistent with the reporting requirements under Part B, Item 2 of Licence No. 2BE-LEP1217. The Board notes, as indicated in the Reports, that no water use and/or waste deposit activities occurred during the 2013 – 2016 field seasons.

Copies of the above-referenced Reports as well as other documents submitted in support of the Licence can be accessed through the NWB's public registry and ftp site using the following link:
