Thanks for confirming Phyllis. Yes, this is for the Luxx Project. Do you require digital copies of all of the documents also? There wasn't anything in the application that said to include digital copies (i.e. a CD/DVD) so it was hardcopies only. I do have the digital copies if you would like me to send them to you – please let me know, thanks!

I believe a new application was received on Monday or Tuesday for the Luxx Project? Will you be submitting that electronically? Also note that it will need to go to NPC as part of the NuPPAA process.

Please contact Robin for payment of any fees.

Thanks.

Hi Phyllis,

I put a water licence application in the mail to you back on Oct. 27th and I wanted to follow up to see if you had received it. I sent it Canada Post so I don't have a tracking# unfortunately, but you should have received it by now I'd think. If it hasn't reached you by the end of the week I might just email you digital copies while I put another hardcopy in the mail.

Also, we would like to pay the application fee with credit card over the phone if that's ok. Are you the person who processes the payments (I can't remember)? If so I have your number, if someone else handles that then I'll need their number.

Thanks,

Mike
