Re: Water License Renewal Application for the Luxx Property, Kivalliq Region, Nunavut – North Arrow Minerals Inc.

To whom it may concern,

Please find attached a duly completed Water License Renewal / Amendment Application for Water License #2BE-LUX1618 for North Arrow Minerals Inc.'s Luxx Property, located in the Keewatin Region of Nunavut. This license application is for water use as part of core drilling of kimberlite in the exploration of diamonds. The proposed base of operations for the Luxx field program will be out of Chesterfield Inlet, NU via helicopter. For the purposes of this application, North Arrow Minerals Inc. is seeking a two year renewal to support exploration activities as described in the following documents.

This application package includes:

- Completed Water License Renewal Application Form
- Non-technical Project Summary (with maps) in English
- Non-technical Project Summary (with maps) in Inuktitut
- Spill Contingency Plan
- Abandonment and Restoration Plan
- Environmental Procedures Plan
- Most Recent Financial Statements from North Arrow Minerals

Should you have any questions, or require any additional information, please do not hesitate to contact me at 604-563-4809, on my cell at 778-229-7194 or via email nthomas@northarrowminerals.com.

Kind regards,

Nick Thomas
