Subject: re: NIRB screening of North Arrow's Luxx Project (15EN052)

Ms. Lear,

The KWB requests additional time to provide comment on North Arrow's Luxx project proposal. The KWB, and local HTOs, will be shut down for Christmas holidays over the coming weeks. Further, HTOs have just finished annual elections, and are in the process of transition into new boards of directors. The Regional Wildlife Organization and Kivalliq HTOs will be unable to meaningfully consider or comment on North Arrow's application if the deadline is not extended by an additional 10 days (i.e. until January 15th).

If you have any questions, concerns or comments, please don't hesitate to contact me.
