**Re: NWB 2BE-MCG0608: Renewal/Amendment Application – McGregor Lake Project – 5050 Nunavut Ltd.**

Environment Canada's (EC) contribution to your request for specialist advice is based on the mandated responsibilities for the enforcement of Section 36(3) of the *Fisheries Act*, the *Canadian Environmental Protection Act* (CEPA), the *Migratory Birds Convention Act* (MBCA) *Regulations* and the *Species at Risk Act* (SARA).

Environment Canada has reviewed the above noted renewal/amendment application and has no concerns with the proposed renewal/amendment. Comments and recommendations submitted by Ivy Stone on behalf of Environment Canada for the Nunavut Impact Review Boards File Number "06EN055" would still apply to the renewal/amendment. EC should be notified of any changes in the proposed or permitted activities associated with this application.

Please do not hesitate to contact me at (867) 669-4744 or ron.bujold@ec.gc.ca with any questions or comments.

Yours truly,

Ron Bujold  
Environmental Assessment Technician
