Afternoon Robert,

I have conducted a preliminary review of your Application for the use of water and deposit of waste associated with exploratory drilling, and the Application is generally in good working order. Before the application proceeds further, however, I request that you provide the following documents:

- 1) A full Project Map. The version submitted is cut-off at both ends.
- 2) A statement of financial responsibility.

Please contact me with any questions or concerns you may have.

Regards,

Brady MacCarl, MSc- $\triangleright \nabla \Delta \cap \text{L}^b \text{b}^{\nabla c}$
