Re: Water licence renewal-NWB2MEL

Dear Mr. Hubert,

The Nunavut Water Board acknowledges receipt of your June 19, 1998 letter with the following attached documents:

- i. Water licence application renewal for the Meliadine West Gold Exploration Project;
- ii. Supplementary Questionnaire for Advanced Exploration and Development;
- iii. \$30.00 application fee;
- iv. and Maps

This project is subject to screening by the Nunavut Impact Review Board and have been sent for their determination as to whether they require further review or if they can be processed by the Nunavut Water Board. You will be contacted should additional information or clarification be required.

Enclosed for your records is receipt No. C101062 to cover the application fee.

Sincerely,

David Porter
Licence Administrator
