Re: Application Acknowledgement for the Meliadine Project

Dear Mr. Balog:

The Nunavut Water Board acknowledges receipt on December 14, 2004 of your amendment water license application, for the Meliadine Project.

We undertook a preliminary review of your application and conclude that it does not contain sufficient information for the NWB to evaluate the qualitative and quantitative effects of the use of water or the deposit of waste on water. Specifically, we are asking you to provide the following: application form and application fee of \$30.00 payable to Receiver General of Canada. We will resume the processing of your application once we receive the requested information.

Please call the undersigned at (867) 360-6338 or email at licensing@nwb.nunavut.ca if you have any questions.

Sincerely,
