Re: Application Acknowledgement and Additional Information Required for Comaplex Minerals Corp.'s Meliadine River Exploration Project Proposal

Dear Sandy Barham:

On January 28, 2010 the Nunavut Impact Review Board (NIRB or Board) received a positive conformity determination from the Nunavut Planning Commission for Comaplex Minerals Corp.'s (Comaplex) Meliadine River Exploration project proposal. On February 1, 2010 an application for a land use permit in support of the project proposal was formally referred to NIRB for screening by Indian and Northern Affairs Canada (INAC). The NIRB has assigned this project proposal file number 10EN006. All documents received and pertaining to this project proposal include:

- *INAC Land Use Permit Application*
- *Maps*
- *NPC Conformity Determination*

The NIRB has undertaken a preliminary completeness check and finds that your project proposal does *not* contain sufficient information for the NIRB to permit proper screening. Specifically, the NIRB is requesting submission of the following information by **February 16, 2010**:

- *NIRB Part 1 Summary Application Form in English and Inuktitut (blank forms attached)*
- *Non technical Project Proposal summary in English*
- *Non technical Project Proposal summary in Inuktitut*
- *NIRB Project Specific Information Requirements (blank form attached)*

Please forward all forthcoming submissions to the NIRB at info@nirb.ca or via fax at (867) 983-2594.

If you have any questions or concerns, feel free to contact NIRB's Technical Advisor, Kelli Gillard, at 867-983-4619 or kgillard@nirb.ca.

Sincerely,

A handwritten signature in blue ink that reads "Kelli Gillard". The signature is written in a cursive style with a large, looping initial "K".
