Good morning,

Please find attached comments from CIRNAC, ECCC and the Kivalliq Inuit Association in regards to the Renewal Amendment application by AEM for Type "B" Water Licence No: 2BB-MEL1424. The Nunavut Water Board would like to request Agnico Eagle provide a response to the attached comments by the deadline of **February 6, 2024**.

Copies of all documents received in support of this submission can be accessed through the NWB's Public Registry and FTP site using the following Link:

<ftp://ftp.nwb-oen.ca/registry/2%20MINING%20MILLING/2B/2BB%20-%20Bulk%20Sampling/2BB-MEL1424%20Agnico/2%20ADMIN/3%20SUBMISSIONS/2023%20Amendment>

The Nunavut Water board is aware that a number of web browsers are no longer supporting File Transfer Protocol (ftp). If you are having difficulty accessing our FTP site you may need to download an FTP application. We have been recommending the FileZilla Client below to access the files, which is a free and open source application. A link can be found below:

<https://filezilla-project.org/>

Please let me know if you have any questions or concerns.

Regards,

Robert Hunter  
Licensing Administrator
