Hi Brian,

Thank you for your correspondence. I will be in Iqaluit next week for the Mining Forum and would very much like to sit with you, Bernie MacIssac, and your group together with Luis Manzo from the KIA on this subject. Is that possible? Please provide some times for a potential meeting. Thank you.

Subject: Water Licence 2BB-MELO914 Security request

Dear: Mr. M. Balog

Please find attached my letter requesting Comaplex Minerals Corp. to come into compliance with their Water Licence and the necessary security.

A signed copy of this letter will be mailed to your attention today.

I trust you will take the necessary action to correct this issue.

Please feel free to contact if you like.

Yours truly

Bryan Rayner
