Re: Site Liability Security Deposit Review (September 2007)

Dear Mr. Balog:

The Nunavut Water Board (Board or NWB) acknowledges receipt on October 5, 2007 of the “Site Liability Security Deposit Review” dated September 2007 submitted in accordance with Part B, Item 2 of your current Type “B” water license.

Section 76(1) of the *Nunavut Waters and Surface Rights Tribunal Act (NWNSRTA)* states:

The Board may require an applicant, a licensee or a prospective assignee to furnish and maintain security with the Minister in the form, of the nature, subject to such terms and conditions and in an amount prescribed by or determined in accordance with, the regulations or that is satisfactory to the Minister.

For other similar projects, the NWB has required a security deposit.¹ In determining the next appropriate steps, and by copy of this letter to interested parties, the Board is requesting comments on the Review by November 26, 2007.

Should you require clarification in this matter, please do not hesitate to contact the undersigned at 780-443-4406 or at dts@nunavutwaterboard.org

Regards,
