**Re: Application for Water License - Meliadine East Project**

Dear Ms. Beaulieu:

Please find enclosed with this letter, documentation for an application by Meliadine Resources Ltd. for a Water Use and Waste Disposal License for a proposed 2008 drill program on the Meliadine East Project, located approximately 15km north of the Hamlet of Rankin Inlet. The proposed program will be conducted during the summer months (June to September) and will be operated from the existing Discovery camp, which is currently covered by a care and maintenance license (KVL204J31) with the KIA. A Land Use License from KIA for the exploration program is pending at this time.

Enclosed with this letter is a completed application form, a completed supplementary questionnaire, a summary of the project, a map outlining the proposed work areas, a Fuel Spill Contingency plan and an Abandonment and Restoration plan for the site. A cheque in the amount of \$60.00 is also included to cover the application and water fees.

Please contact Roger March at 604-241-4566 or by email at [rogermarch@shaw.ca](mailto:rogermarch@shaw.ca) if you have any questions or concerns regarding this submission or if you require any further information.

Sincerely,

Russ Cranswick  
President
