**Subject: Application for Amendment No. 2 to Water Licence 2BE-MEP0813,
Meliadine Gold Project**

Dear Mr. Hohnstein,

Attached are the documents required for a licence amendment.

The actual amendment request has many goals:

- To authorise the drilling on ice, as authorised on our licence 2BB-MEL0914.
- To include new area for the mineral exploration.
- To clarify the waste management.

Should you have any questions or require any additional information, please contact David Frenette via email at david.frenette@agnico-eagle.com or by phone at 819-874-5980 ext. 3622.

Regards,

Denis Vaillancourt
