**Re: 2BE-MLL----, Sabina Gold and Silver Corp., Wishbone Project New Type "B"**

Dear Ms. Beaulieu:

The Kitikmeot Inuit Association (KIA) has reviewed the Type B application submitted by Sabina Gold and Silver Corp. (Sabina) for its Wishbone Project, and we would like to make the following comments.

The KIA requests to be included in Sabina's reporting procedures, especially (but not exclusively) to those reporting environmental incidents on Inuit Owned Land (IOL). The KIA also requests that Sabina include IOL parcels on all maps submitted to regulatory agencies (e.g., IOL parcels were not identified in file "111212 2BE-MLL---- application location map-IMLE.pdf" located in the NWB public registry).

The KIA would like to thank the NWB for the opportunity to comment on this file. Please feel free to contact us if you have any questions.

Sincerely,
