#### **COMMENCEMENT OF SUMMER FIELD OPERATIONS AT THE MUSKOX NICKEL PROPERTY**

---

This letter is to notify Nunavut Water Board, that SPC Nickel Corp's summer mineral exploration activities will be commencing at the Muskox Nickel Property.

The summer program is anticipated to mobilized on August 20<sup>th</sup> and to be completed by August 25<sup>th</sup>. The summer program will be based out of Kugluktuk and will comprise of daily trips to the property. Exploration activities will include geological mapping, prospecting and rock sampling. Given the short duration of the field program, it is anticipated that no water will be used during the length of the program.

All operations will continue to adhere to the terms and conditions specified in NWB Water Licence No. 2BE-MNP2328.

Regards,
