Re: Hornby Bay Exploration Limited Nunavut Water Board
Water Licence Application

Dear Mike:

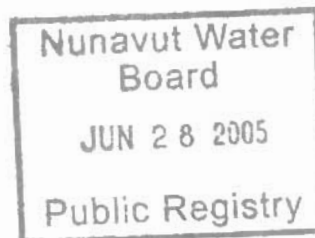

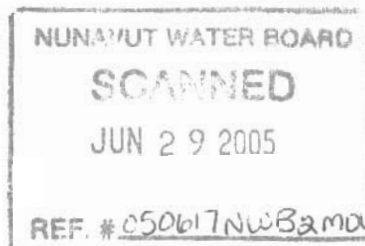

Enclosed is our company's duly executed application along with a cheque, all required completed forms and attachments.

We look forward to answering any questions and/or attending any required meetings regarding our Water Licence Application.

Please advise us if there is anything we can do to improve upon our application or any steps we can take to expedite the approval process

Thank you,

George Bell
President & CEO
Hornby Bay Exploration Limited
