**Subject:** NIRB 06EN009: Commenting Deadline Extension for Hornby Bay Mineral Exploration Ltd.'s "Mouse Lake" project proposal

Dear Parties:

As you are aware, the NIRB received applications from Indian and Northern Affairs Canada for both a renewal and amendment to the Land Use Permit for Hornby Bay Mineral Exploration Ltd.'s "Mouse Lake" project proposal (NIRB File No.: 06EN009), and invited interested parties to submit comments to the NIRB on or before March 4, 2011.

On March 2, 2011 the NIRB received a request from the Kugluktuk HTO to extend the public commenting period for this file (please see below).

Please be advised that the NIRB hereby extends the public commenting deadline for file no. 06EN009 until March 11, 2011.

Please forward all comment submissions to [info@nirb.ca](mailto:info@nirb.ca) or via fax to (867) 983-2594.

Best regards,

Aliza Weller  
Environmental Administrator

**Subject:** RE: NIRB 06EN009: Application Acknowledgement for Hornby Bay Mineral Exploration Ltd.'s Amendment Request with INAC for Seismic Exploration at the Coppermine Property

Can we extend this application by another week... we would still like to review this. We apologize for any delay.
