RE: NWB Technical Review of 2017 Annual Report for the Meadowbank Precious Project; Water Licence No. 2BE-MPM1722

Dear Mr. Capponi and Ms. Gunson:

The Nunavut Water Board (NWB) has completed a technical review of the 2017 Annual Report provided to the NWB on December 29, 2017. On January 8, 2018, the NWB acknowledged receipt of the Annual Report and provided it to the Kivalliq distribution list for information. No comments have been received to date.

The technical review of the Annual Report found that the information generally addresses the requirements of the Licence. Thank you for indicating that no Water use or Waste deposit occurred in 2017.

Should you have any questions, please feel free to contact me, Dave Baines, at (867) 360-6338 (extension 29), at your earliest convenience.

Sincerely,

Dave Baines
Nunavut Water Board,
Technical Advisor
