**Re: NWB Water License Application - The Mel Property, Qikiqtani Region, NU**

Dear Mr. Kharatyan,  
Please find attached a duly completed water license application for North Arrow Minerals Inc.'s ("North Arrow") Mel Property, located in the Qikiqtani Region of Nunavut.

The proposed work program is for the exploration of diamonds with a focus on drilling, with potential for concurrent geophysics, soil sampling, geological mapping and prospecting. The proposed base of operations for the Mel field program will be an exploration camp approximately 150-200 km from Naujaat and Hall Beach.

Enclosures:     *Mel Project Summary (with Inuktitut translation)*  
                      *NWB General Water Licence Application*  
                      *NIRB Part 1 Form (with Inuktitut translation)*  
                      *NIRB Part 2 Form - Project Specific Information Request (in place of "S.I.G.")*  
                      *Spill Contingency Plan*  
                      *Abandonment and Restoration*  
                      *Certificate of Compliance from NU Registrar of Corporations*  
                      *Condensed Interim Consolidated Financial Statements*

Copies of the above documents have also been submitted to the Nunavut Planning Commission for a requisite land use work permit.
