Dear Jason Brewster:

The Nunavut Impact Review Board (NIRB or Board) received Anconia Resources Corporation's "Atlas 1 (formerly known as Marce Claim) and Zac Project" project proposal from the Proponent on December 20, 2012. The project proposal submission included the following documents:

- *Draft Annual Report*
- *Draft Work Plan*
- *Maps*
- *Non technical Project Proposal summary in English*

The NIRB conducts screening (environmental impact assessment) of project proposals upon referral from Government departments/agencies and Regional Inuit Associations responsible for authorizing the proposed project works or activities. Please be advised that it is the Proponent's responsibility to apply for all authorizations and approvals required to carry out the proposed project works or activities.

If you have any questions or concerns, feel free to contact Natasha Lear, Environmental Administrator at 867-983-4612 or via email at info@nirb.ca.

Sincerely,

Natasha Lear
