Good Afternoon.

I am hoping to clarify contact information for water licence 2BE-MRP1116 and Land Use Permit N2011C0016 issued to Coastal Gold for the Maguse River Exploration Project. Kevin Brewer, Coastal Gold informed AANDC that First Mining acquired Coastal Gold this July and that they would be the main point of contact moving forward.

The Maguse River Project land use permit has expired. A new application will need to be filed and I hope to assist in facilitating this. Please have one of your staff contact me directly at the coordinates listed below.

Regards,

Christine Wilson
