Good afternoon Ms. Porter,

Re: 140117 2BB-MRY1114 Baffinland Iron Mines Corporation-Amendment Renewal Application-Type B-Qikiqtani Region

Thank you for your email.

The Nunavut Planning Commission (NPC) reviewed 140117 2BB-MRY1114 Baffinland Iron Mines Corporation-Amendment Renewal Application-Type B-Qikiqtani Region (link below) and the subsequent information received from the proponent on February 11, 2014 (attached). The NPC has determined that the application, when read in conjunction with the additional information provided by the proponent on February 11, 2014, does not change the scope of the originally reviewed application to an extent that would warrant a further review by the NPC at this time.

The terms agreed to as part of the original conformity determination (attached) must form part of any authorisation or permit issued for this application.

Should the scope of the application change, NPC would request that it be forwarded to our offices for further review.

I have copied the Nunavut Impact Review Board (NIRB) with this email for their information.

Please contact me should you have any questions.

Sincerely,

Christopher
