Subject: NIRB 08MN053 Comment Extension Request

Hello,

On July 22nd, 2015 the Nunavut Impact Review Board (NIRB) invited parties to provide comments to the Board with respect to Baffinland's request to reconsider the terms and conditions of the Mary River Project Certificate (No. 005). The deadline for comments was listed in this request as August 5th, 2015.

Given this short timeframe, the Qikiqtani Inuit Association (QIA) respectfully requests an extension of the comment period by an additional 10 business days to August 19th, 2015. It is not the intention of QIA to delay the NIRB's review process, but to allow additional time for both internal and external consultation and finalization of comments.

The Phase II proposal is of particular interest to QIA, and we wish to devote our full attention and effort to its thorough review.

Please contact me if there are any questions or concerns regarding this request.

Sincerely,

Justin Buller
