Hello Valerie,

Thank-you for the 2015 Annual Report Review you sent out earlier this week for licences 2AM-MRY1325, 2BE-MRY1421 and 8BC-MRY1416.

Indigenous and Northern Affairs Canada notes that the review states interveners' comments and recommendations will be considered when determining whether modified plans submitted with the annual report need to be re-approved by the Nunavut Water Board.

We intend to submit comments and recommendations to the Board regarding the modified plans listed in the review and propose to do so by December 23, 2016.

Regards,  
Sarah
