Dear Ms. Beaulieu,

The KIA would like to thank NWB for the opportunity to comment on Silvermet Inc.'s (Aurora Geosciences) request for open burning. KIA has reviewed this request and would like to make the following suggestions:

Gjoa Haven  
Okhoktok  
ᑭᓄᓗᓗᓗᓗᓗᓗᓗ

- Only untreated lumber is to be burned;
- The burn site should be small and confined in a small area;
- The following **should not** be burned and such items need to be removed from the site and disposed of in an appropriate facility:
  - Treated lumber;
  - Untreated lumber that is Contaminated;
  - Any and all insulating materials.
