Hi Julie,

As confirmed by our Land Information Technologist, Mr. Mike Townsend, the Vale claims are not in the Keewatin/North Baffin Planning Region, though the prospecting permits fall within the Keewatin Planning region. The extents you have given (black box) also fall within Keewatin Region. Therefore, your question whether NPC should be involved in the regulatory process of your proposal, the answer is yes.

If you have any further questions and or concerns, please do not hesitate
