Hi Atuat,

Thank you for the notice. There will not be any activity on the site this year and we have removed all equipment as well as our camp as per the final plan submitted to AANDC and the NWB in December 2013. For your convenience, I have attached a copy of the final plans to this email as well.

Please note that to the best of my knowledge, there is still a camp present near the site of the Mackar airstrip which does not belong to Vale nor was ever used by Vale and was not put in place under water licence 2BC-MVP nor Land Use Permit N2012C0008.

Should you have any questions or if I can be of any assistance, please feel free to contact me directly.

Kind regards,

Clayton Pearson, P. Geo.
