**Re: Application for Renewal for Water License NWB2NAD0206**

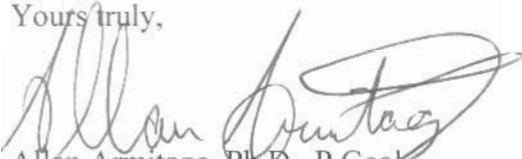

Commander Resources Ltd. is enclosing an Application for the renewal of our water license NWB2NAD0206 so that we may plan and execute our spring to fall 2006 exploration program. I have completed the application form, supplementary questionnaire, and project summary (in English and Inuktituk) and included a cheque for \$30.00.

Included in this application is a copy of the following items:

- 1) Application for a water license, supplementary questionnaire, and a non-technical summary in English and in Inuktituk.
- 2) A copy of our 2005 Land Use License -- License number Q05L3C07.
- 3) Copy of the DIAND land use permit governing the Dewar Lakes airstrip camp on federal lands, LUP N2004C004.
- 4) Copy of the Nunavut Water Board permit no. NWB2NAD0206, originally issued to BHP Billiton Diamonds Inc. and now transferred to Commander Resources Ltd.
- 5) Copy of Commander's Fuel Spill Contingency Plan.
- 6) Maps showing the area of work and proposed surveys for each area, and fuel caches.

Please examine and process the enclosed Application for exploration. If you have any questions or there are some shortcomings in the application, please contact me directly via telephone or fax or by email at [aarmitage@commanderresources.com](mailto:aarmitage@commanderresources.com).

Yours truly,

Allan Armitage, Ph.D., P.Geol  
Commander Resources Ltd.
