Re: Water Licence 2BE-NAD0813 Amendment/Renewal Application

Mr. Kharatyan,

Please accept this application on behalf of Commander Resources Ltd. ("Commander") for an amendment/renewal of the Water Licence 2BE-NAD0813 for water use at the Dewar Lakes Camp ("the Camp").

The Camp has been used by Commander since 2003 as a base location to conduct mineral exploration work on Baffin Island. Exploration programs and camp activities were most recently conducted under the authorization of INAC Land Use Permit N2013C0014 (Expired Aug 14, 2016) and NWB Water Licence 2BE-NAD0813 (Expired September 1, 2013). With the accompanying documents, Commander is applying for a new Land Use Permit and amending/renewing the Water Licence to authorize work activities at the existing Dewar Lakes Camp.

The Camp was last utilized by Commander to support exploration activities in 2011. The site was last occupied in 2013 by Biogenie Ltd. ("Biogenie") personnel, contracted by Commander, to clean up and secure the site after an episode of vandalism damaged camp structures. The vandalism resulted in significant damage and exposure of building contents to outdoor conditions, wind dispersion and wildlife.

The Dewar Lakes Camp Site was inspected in the summer of 2016 by an INAC Water Resources Officer and found to be vandalized and damaged once again.

The 2017 program, under the authorization of a new Land Use Permit and amendment/renewal of the existing water licence (subject to this application), will facilitate a clean-up and rebuild of the vandalized Dewar Lakes Camp. Upon re-establishment of the camp facilities, the camp will then be used to support exploration activities. Exploration activities for which the camp will support will be authorized under separate permits and licences to be held by Commander or an assignee.

Documents submitted in this amendment/renewal application include:

- Dewar Lakes Camp Application for Water Licence Amendment-Renewal
- Dewar Lakes Camp Exploration-Remote Camp Questionnaire
- Dewar Lakes Camp Water Licence Compliance Assessment

- Dewar Lakes Camp Water Licence Status Report on Compliance Assessment
- Certificate of Incorporation
- Statement of financial security
- Figure 1 Dewar Lakes Camp Location
- Figure 2 Dewar Lakes Camp Location over Topography
- Commander Resources Ltd. Authorization Letter
- NPC notification letter
- Historic NIRB Screening Decision
- 2016 Water License Inspection Report
- Dewar Lakes Camp Remedial Action Plan
- Cheque for \$30.00 for application fee payable to the Receiver General
- Cheque for \$30.00 for water use deposit payable to the Receiver General
- Dewar Lakes Camp Spill Prevention and Response Plan
- Dewar Lakes Camp Fuel Management Plan
- Dewar Lakes Camp Waste Management Plan
- Dewar Lakes Camp Abandonment and Restoration Plan
- Dewar Lakes Camp Emergency Response Plan
