Subject: Expiry of license

Dear Mr. Howe:

This is a reminder that your licence NWB2NAD0101 for water use and waste disposal associated with mineral exploration at Nadluardjuk Lake expires on October 31, 2001.

As indicated in Part B, Item 1 of the licence, a summary report needs to be submitted to the Nunavut Water Board no later than March 31st of the calendar year being reported. This report should include information about activities for the above licence, water quality data, abandonment and restoration of the site, list any unauthorized spills and the follow-up action taken, and any other relevant water use and waste disposal information.

Should you wish to continue with the exploration, you will need to file an application for renewal of this licence. Please indicate in your renewal application, whether you are applying for an annual or a multi-year licence.

An application form and supplementary questionnaire are attached to this letter. These can be filed electronically, by fax, or by regular mail. Please allow 3-4 months for the renewal process. For an application to be deemed complete the following are needed:

- completed application form
- completed supplementary questionnaire
- relevant maps/drawings (max. size 11" x 17")
- executive summary in both English and Inuktitut
- application fee of \$30 payable to the Receiver General of Canada

We look forward to receiving your submissions. Should you have any questions or concerns, please do not hesitate to contact our office.

Sincerely,

Original signed by:

Rita Becker
Licensing Administrator
