**Importance:** High

Hello Li,

The GN-DOE has received the application from NIRB. However, due to the holidays coming soon and also this is in one of the only known calving areas on Baffin Island (it was identified as a WASI in 1987 and again in 1995) GN-DOE would like to get an extension until April 19<sup>th</sup>. Please let me know if this is okay with the Board.

Best Regards,

Dee
