Re: Water Licence Application of BHP Diamonds Inc. - Nadluarjuk Lake

Dear Ms. Becker,

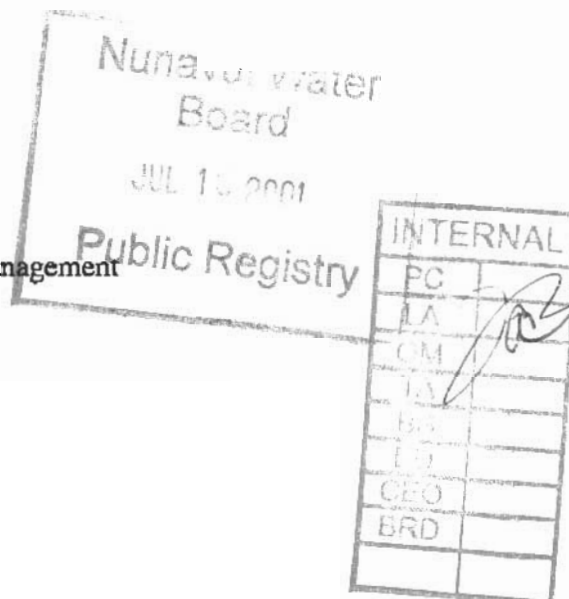

INAC's Water Resources Division has received the application for the Water Licence NWB2NAD from BHP Diamonds Inc.

Due to the scale and nature of the project, there is no water licence requirements under the *NWT Waters Act*. Issues such as water use and waste management will be addressed through the land use permit issued to the proponent.

If you have any questions, please do not hesitate to contact me at (867) 975-4548.

Yours truly,

Michael Roy
