Good morning,

CIRNA confirmed they have no record of payment for 2019, 2020 and 2021, the annual water use fee is \$1091.35 for a total of \$3274.05 outstanding.

Regards,

Richard

Hi Sergey,

I do usually pay CIRNAC directly with a credit card over the phone, but I have looked through all my records and receipts from Sarah Forté and I cannot seem to find confirmation of payment for this one, so It may have been missed.

Can you do me a huge favour and check if there was a payment made for the Dewar Lakes Camp (2BE-NAD1722) completed by me as well on behalf of Commander? I do not seem to see a receipt for this one either so I may have missed this one too.

I have attached my calculations for each of the fees. Can you confirm if the number is correct and then I can contact Sarah tomorrow to confirm if I did pay them or not and if not make the payment over the phone via credit card.

Thanks very much!

Tara

Hi Tara,

I am reviewing the Annual Reports you submitted for the Angilak Project (2BE-ANG1823) and I can't locate the receipts for the water use fees paid this year and last year.

Were the fees paid directly to CIRNAC?

Thank you,
