Dear Mr. Sexton:

The Nunavut Water Board ("NWB") received from Commander Resources Ltd., the 2007, 2008, and 2009 Annual Reports for the above-referenced project on February 18, 2010. The reports were distributed for information purposes on February 22, 2010, and no comments have been received to date.

The reports were reviewed and found to be mostly complete and consistent with the reporting requirements in the Licence. The Licensee is, however, reminded that all annual reports must be filed with the Board no later than March 31st of the year following the calendar year being reported,

In addition, the Licensee is advised of its obligation to submit to the Board an addendum to the spill plan as required under Part H, Item 2, Licence 2BE-NAD0813, Amendment 1, issued on April 27, 2010.

Should you have any questions regarding the above, please do contact the undersigned at (867) 360-6338 Ext. 25 or email sjoseph@nunavutwaterboard.org.

Yours truly,
