Re: Support Letter for StrategX Elements Corp.

June 29, 2022

To whom it may concern,

The board of directors of the Arviq Hunters & Trappers Organization are in full support of the Project StrategX basic exploration on RE26 and RE27 project which the Corporation will be drilling. The board of directors of the Arviq HTO are grateful for meeting through a zoom and meet with the board to explain the project that will be conducted by the StrategX Elements Corp. However the board of directors are requesting if a board member(s) can attend the site to see the drilling of the surface.

On behalf of the board of directors, Arviq HTO

Dolly Mablik, Manager
