Subject: Dunsmuir Ventures Ltd. – Nanuq Project – **Request for Screening** – New

The Nunavut Water Board received a new application on May 13th and 15th, 2003 from Dunsmuir Ventures Ltd. for water use and waste disposal associated with an exploration camp.

In accordance with S.11.5.10 of the *Agreement Between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada*, this project proposal was first sent for review to the Nunavut Planning Commission (NPC) for their review. As indicated in the review report forwarded to your office by NPC dated June 12, 2003, this review is now complete.

In accordance with Articles 12 and 13 of the *Agreement Between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada*, this project shall be screened by the Nunavut Impact Review Board to determine whether it has significant impact potential, and whether it requires review, before the application can be processed by the Nunavut Water Board.

The application documents are available through the internet on our ftp site at <ftp://ftp.nunavut.ca> in the NWB folder and subfolder "NWB2NAN."

Please let our office know when we can expect your screening report so that we can set our deadlines accordingly.

Sincerely,
