Hi David

Received, thanks.

The application related to 2BE-NAN1318 is pending administrative review, once the admin review is finished, I will email you to let you know any information request referred to this application.

Ida:

The Licensee has submitted updated editions of the Abandonment and Restoration Plan and Spill Plan and the 2014 Annual Report required under the 2BE-NQN1521 Water Licence.

Please, could you replace the documents that were submitted and saved yesterday with the recently submitted updated plans, and save the 2014 Annual Report?

Regards

Sonia

Hello Sonia:

Attached is the 2014 annual report that we submitted in October of last year.

I also changed the names on the plans from Peregrine Diamonds Ltd. to Peregrine Exploration Ltd.

Also, do I need to send you anything for 2BE-NAN1318 for our Nanuq Project? It is being assigned also.

Thanks,

David

Hi David

Received, thanks

The assignment application is proposing as assignee Peregrine Exploration Ltd, therefore all plans submitted from now on should be under the Peregrine Exploration name.

I see that submitted reports, Spill Contingency Plan and Closure and Reclamation Plan have Peregrine Diamond's name, you can update them latter on with the submission of 2015 Annual Report, right now they are acceptable.

Remember that the 2014 Annual Report is still missing; please, submit it.

Upon reception of the 2014 Annual Report the Board will start the assignment process.

Regards

Sonia
