Re: NWB2NBP (North Baffin Project) – Canada-Nunavut Geoscience

Please note that licence number **NWB6NBP** has been changed to **NWB2NBP**
Please change your files accordingly.

The application is currently still on our old ftp site (<ftp://ftp.nwb.yk.com>) in the NWB6 folder "NWB6NBP." We hope to have it in the new ftp site (<ftp://ftp.nunavut.ca>) in the correct NWB2 folder at a later date.
