Re: Application Acknowledgement for the North Baffin Project

Dear Mr. Utting:

The Nunavut Water Board acknowledges receipt on April 22, 2005 of your amendment water license application, for the North Baffin Project file # NWB2NBP.

We undertook a preliminary review of your application and conclude that it does not contain sufficient information for the NWB to evaluate the qualitative and quantitative effects of the use of water or the deposit of waste on water. Specifically, we are asking you to provide the following:

- Application fee payable to Revenue Canada
- Supplementary Questionnaire
- Spill Contingency Plan
- Abandonment and Restoration Plan

We will resume the processing of your application once we receive the requested information.

Also required is a \$30.00 Water Use Fee, pursuant to the Northern Inland Waters Regulations, which became effective as of January 1, 2004. Please refer to these regulations which are on our ftp site at "nwb" / NWB Administration / NWB Waters Legislation.

Please call the undersigned at (867) 360-6338 or email at licensing@nwb.nunavut.ca if you have any questions.

Sincerely,
Original signed by:
