Re: North Baffin Project

The Nunavut Water Board received an application for a new water licence from Canada-Nunavut Geoscience for a base camp for geological mapping.

Notice of this application will be posted at local organizations in Pond Inlet, Igloolik, and Clyde River.

The following documents are available through the internet on our ftp site at <ftp://ftp.nunavut.ca> in the folder "nwb" and sub-folder "NWB2NBP."

- notice (in English and Inuktitut)
- application form
- supplementary questionnaire
- maps
- summary in English and Inuktitut

NWB2NBP has been reviewed by NPC for conformity with the appropriate land use plan, is currently being screened by NIRB, and can then be processed by NWB. Parties involved in NIRB's screening can send their comments directly to NIRB as per their instructions. For all other parties, the Nunavut Water Board is accepting written concerns and comments with regards to this project before **July 4, 2003**.
