Good afternoon Megan,

Thank you for your email.

The Nunavut Planning Commission (NPC) reviewed the renewal request related to the 2BE NQN applications and has determined that it does not change the scope of the originally reviewed project to an extent that would warrant a further review by the NPC at this time.

I have attached the terms agreed to as part of the applicable conformity determination which must form part of any authorisation or permit issued for this project proposal. Please note that the attached terms agreed per an Assignment Agreement are the responsibility of Peregrine Diamonds LTD.

Please ensure that any change in the scope of the project is forwarded to our office for further review.

I have copied Nunavut Impact Review Board with this email for their information.

Please contact me should you have any questions.

Sincerely,

Brian Aglukark, NPC
