Date: Wednesday, March 11, 2009 4:38:04 PM

Hello,

The Nunavut Impact Review Board (NIRB) received an application from the Nunavut Planning Commission for Indicator Minerals Inc.'s "Nanuq North Exploration" project proposal and commenced screening of the project proposal as per Section 12.4 of the Nunavut Land Claims Agreement (NLCA). The NIRB requests that authorizing agencies hold off on issuing a licence or approval as outlined in Section 12.10.1 of the NLCA until the NIRB has completed the screening of the project.

In addition, the NIRB requests that a copy of the application (licence or approvals) for this project proposal be forwarded to our office to complete the screening of the project proposal.

Please forward copies directly to me at sgranchinho@nirb.ca. If you have any questions or concerns, feel free to contact me at 867-983-4607 or at the above email address.

Regards,

Sophia Granchinho, MSc. CEPIT
