**Re: Renewal Application For Nunavut Water Use License NWB2NTI0305**

Dear Ms. Beaulieu,

Enclosed please find a duly completed application with attachments, requesting the renewal of Nunavut Water Board License NWB2NTI0305 originally issued on July 25, 2003 and currently expiring on July 25, 2005.

Please be advised that as of March 31, 2005 the exploration area subject to the Exploration Agreement between Nunavut Tunngavik Inc. and Strongbow Exploration Inc. has been reduced, and no longer includes IOL Parcel CO-46, an area which is currently covered under the authority of NWB2NTI0305. In addition, please also note that the total area retained in 3 of the other parcels covered under this water license has also been reduced. Attached please find two page size maps illustrating the current area retained by Strongbow on IOL Parcels CO-08, CO-20, CO-40. The exploration area retained on CO-44 remains unchanged.

Also included please find cheque #1782 in the amount of \$60.00 representing the requisite application fee of \$30.00, plus the annual water use fee of \$30.00.

If you have any questions in regards to this submission please contact the undersigned at your earliest convenience.

Yours truly,  
**STRONGBOW EXPLORATION INC.**  
Per.
