

coordinates (Lat/Long [hddd°mm'ss.s"], in NAD 83) for the following:

- All camp locations that were used at any time during the project (whether by your company or previous licensees under the same project);
 - Air strip/landing locations;
 - All drilling locations for the project (whether by your company or previous licensees under the same project); and
 - All fuel caches that existed in the course of the project, including an inventory of all petroleum products and chemical products that were stored on site.
- A copy of the Final Plan or closure report, with photographs, documenting the steps taken to implement the Abandonment and Restoration Plan.

Once our office received the required information is received and completed it will go out for our normal 30 day review and comment period.

Thanks
