Subject: 2BE-NTI0507 Cancellation of Licence – Holding for AANDC Inspection

Dear Mike:

The Nunavut Water Board (“NWB”) completed a technical and administrative review of your cancellation water licence application for the above mentioned file, which was received on September 5, 2013. The application was distributed for third party comments on April 4, 2014. Comments were received from Aboriginal Affairs and Northern Development Canada “AANDC”) on (April 24, 2014) (copy attached).

AANDC recommended that the licence not be cancelled/closed until AANDC Water Resources provides confirmation that no compliance issues are associated and outstanding with the project. Please review the attached inspection and action accordingly to cancel this licence.

Should you have any questions, please feel free to contact the undersigned at (867) 360-6338 or licensing@nwb-oen.ca.

Sincerely,

Megan Porter
