Hello Richard,

I wanted to update you on some corporate changes regarding Forum Energy Metals Corp. (NWB Permit 2BE-NUP2227).

We recently went through a merger and on Oct 27th, our corporate name officially changed to Geiger Energy Corp. and we are in the process of updating our permits on our projects.

Are you able to help us update/transfer our water licence to the new company name and address.

Our new company address is:

Geiger Energy Corp.

Suite 1102, [141 Adelaide St. West](#)

Toronto, ON M5H 3L5

Let me know if you require any additional information or have any questions.

Cheers,

Martin
