**Section 1 Comments**

On July 15, 2026 Senior Resource Management Officer Kyle Amsel (Inspector) for Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) conducted an Inspection of Water Licence 2BE-NUT2629 issued to Greenbridge Exploration. No representative was on site.

**Background**

The licence was recently issued to the Proponent for an exploration undertaking. The camp was operated under 2WLC-NUT2425 during the 2024 campaign. The camp site was established at N63° 05' 35.5" W98° 24' 31.1" for summer operations in 2024. All material for the temporary camp was removed in the same season and the operation has been laid up since the 2024 season.

**Observations**

1) The camp site was inspected and found to be satisfactory. No material or use of the land was noted. (Photo 1)
