Subject: NWB 2BE-PBP Pistol Bay Project - Disposal of Hazardous Waste

Follow Up Flag: Follow up
Flag Status: Flagged

Dear Richard:

It has come to my attention that the municipal dump in Whale Cove is not set up to dispose of hazardous waste brought to it by Northquest Ltd. Consequently, Northquest will ensure that all hazardous waste such as lubricants and batteries will be shipped to the nearest approved disposal site in drums and appropriate containers.

Regards,

Dwayne Car
